INSTRUCTIONS

The Chief Judge of the Maine District Court issues this Schedule of Amounts Due that contains recent legislative enactments. This book reflects the MCJUSTIS Policy Board Recommendations that went into effect on July 1, 2004 and continues to provide a list of motor vehicle offenses identified as traffic infractions in T29-A M.R.S.A. Some exceptions to this are some violations under T17, T23, and T38 of the M.R.S.A.

Pursuant to T4 M.R.S.A. §164(12), the Chief Judge of the Maine District Court establishes a schedule of amounts payable by persons charged with traffic infractions, if that person files a written answer not contesting the infraction. To take advantage of the scheduled amount due, the answer of “Not Contested” must be filed within twenty (20) days after the Violation Summons and Complaint is served. This booklet is valid only for traffic infractions occurring on and after October 9, 2013 unless otherwise ordered by the Chief Judge. For violations occurring before this date, please refer to the appropriate book.

The Violation Summons and Complaint form has the four (4) most written violations preprinted on the ticket. Please remember you may charge a person for **no more than three (3) violations on a ticket**. It may not be used to charge a traffic criminal or other type of criminal offense, nor can it be used for a civil violation. Please note that violations of municipal traffic or parking ordinances are civil violations. A traffic infraction may not be charged on any other form. Specifically, a Uniform Summons and Complaint may not be used for a traffic infraction.

If an officer believes a traffic infraction not listed in this booklet has been committed, the officer may issue a Violation Summons and Complaint. The officer must enter the charging language, show the specific title, section and sub-section violated and quote an amount due of \$131.00.

When filling out a Violation Summons and Complaint, the officer must write clearly and include at least the following information:

1. Whether the person charged is also being charged with a criminal offense.
2. The full identifying information of the person charged.
3. The date, time (in military time), and place of the alleged infraction.
4. The District Court Division in which the infraction occurred is shown by the Division Number in the space designated “DIV” on the ticket. District Court Division Numbers are shown on pages iii.
5. If the charge is speeding, speeding in a school zone or speeding in a construction zone, the alleged speed and legal speed must be entered.
6. Specific charging language: The officer is encouraged to use the charging language shown in the numerical listing of infractions. Common abbreviations are used in the numerical listing to shorten violation descriptions. The alphabetical section completely shows the charging language with no abbreviations. Common abbreviations are listed on page iv.
7. The statutory citation for each separate infraction must be noted in the space provided.

8. The amount due for each violation appears to the right of the violation description starting on page 1. The amount due shown in this book includes all statutory surcharges. These surcharges include: 10% for Government Operations effective June 17, 1987, 3% for Maine Criminal Justice Academy effective 6/1/2006, 1% for County Jail Prisoner Support and Community Correction Fund effective August 1, 2002, 5% for Government Operations Surcharge Fund effective 07/30/2004, 1% for Maine State Police Computer Crime effective 6/1/2006 and a \$10 flat fee for the Civil Legal Services Fund, effective September 17, 2005.

After completing the Violation Summons and Complaint, the officer must:

1. Serve two copies on the person charged. These copies are marked “Copy for Defendant’s Record” and “Defendant’s Answer Copy (For Mailing).”
2. Deliver to the person charged an envelope addressed to the Violations from the ticket book.
3. File the “Bureau Copy,” i.e., the original, with the Violations Bureau **within five (5) days of issuance** according to T29-A § 2601(9). The “Bureau Copy” must be filed with a complete Transmittal Form. Printed envelopes for transmittal purposes are available. **Each department/agency should have a supply at their headquarters. The Violation Summons and Complaint ticket books along with the transmittal forms and transmittal envelopes are ordered through Central Warehouse in Augusta (207-287-3641).**
